

DEPARTMENT OF CAREER TECHNICAL EDUCATION AND PROFESSIONAL STUDIES

Department Head: Dr. Christi Trucks, ctrucks@jsu.edu

The Department of Career Technical Education and Professional Studies offers Master of Science in Education (MSE) degrees in Family and Consumer Sciences Education, Business Marketing Education, and Library Media (MSE and Education Specialists degrees) for those who already hold initial certification. A non-professional educator certification MSE program in Instructional Technology is also available. The Department offers an alternative route for receiving a Master of Science in Education degree for those who have a bachelor's degree outside of education. The Alternative Class A Master of Science in Education (MSE) programs include Family and Consumer Sciences Education and Business Marketing Education. These alternative programs are designed to fully equip candidates to be effective educators.
