

EMERGENCY PREPAREDNESS NURSING COORDINATOR (GRADUATE CERTIFICATE)

An Emergency Preparedness Nursing Coordinator Graduate Certificate is available for non-degree students who wish to specialize in the area of emergency management nursing. Upon satisfactorily completing the 15 hours required of the graduate certificate, an entry will be made on the student's transcript. All courses are delivered through distance education.

A student who completes the graduate certificate in Emergency Preparedness Nursing Coordinator may apply the 15 hours credit toward the Master of Science in Nursing (MSN) in Population Health with a Concentration in Emergency Management OR towards the Master of Science with a Major in Emergency Management. All coursework for the MSN must be completed within six years. Hours earned through a graduate certificate program may only be applied to one graduate degree.

Please review the Graduate Certificate Disclosure (<http://www.jsu.edu/graduate/disclosure.html>) information.

Admission Requirements for the Graduate Certificate in Emergency Preparedness Nursing Coordinator

Applicants are admitted on a selective basis upon review of the completed application package.

Retention and Progression

In accordance with the University policy, graduate students must maintain an overall GPA of 3.0 on a 4.0 scale in all graduate courses attempted. A student whose GPA falls below the required minimum of 3.0 will be placed on academic probation and will receive notification from Graduate Studies of the requirements to reestablish good standing. Any student who does not attain good standing, as specified in their notification letter, will be dropped from graduate studies. A grade of "C" or below will not be permitted to count toward the graduate or doctoral level degree or certificate programs. All grades of "C" or below are factored into a student's GPA. Only one "C" grade or lower is permitted to be re-taken in the graduate or doctoral level degree or certificate program. A grade of "C" or below in any graduate nursing programs must be repeated. A student must achieve an "A" or "B" in the repeated course. The course may only be repeated once. A student's progression in the program will be impacted. If the student is unsuccessful after the re-take, the student will be dismissed from the program. If a student earns a grade of "C" or below in any coursework in any graduate nursing program, the student should consult their academic advisor and the Dean of Graduate Studies for advisement. Should a student earn more than 3 semester hours of a C grade, the student will be ineligible to continue in the graduate nursing program and should consult the graduate catalog for guidance. Failure to resolve an incomplete within the established time frame will result in an inability to progress in the program. Registration for the upcoming semester will not be allowed until the incomplete is resolved. Review the graduate catalog for processing instructions and deadlines. MSN: All graduate coursework and degree requirements toward a master's degree, education specialist degree, or a graduate certificate (including credit transferred from another university or graduate program) must be completed within a period of six calendar years, which would include the summer term.

Minimum Requirements for the Graduate Certificate in Emergency Preparedness Nursing Coordinator
