The mission of the Jacksonville State University Theatre and Film Department is to provide a strong liberal arts education while promoting respect for and appreciation of the art of theatre and film. Through an academically rigorous and supportive, creative environment, we cultivate critical thinking, analysis, and skills for artistic expression needed to build a career, while providing opportunities for higher level development within our students' chosen specialties. We also seek to produce a multifaceted, high quality, and challenging theatrical experience on our stage to enrich the university and surrounding communities.

The Department of Theatre and Film offers a Bachelor of Arts in Theatre and a Bachelor of Arts in Film. Students majoring in Theatre must choose a concentration in either Performance or Production.

The Bachelor of Arts in Film is an interdisciplinary degree with coursework in Film, Theatre, English, and Art.
