## **FAMILY AND CONSUMER SCIENCES EDUCATION** (BACHELOR OF SCIENCE IN **EDUCATION**)

A Bachelor of Science in Education degree in Family and Consumer Sciences Education is offered. Successful completion of this program includes meeting all requirements and earning a passing score on the edTPA portfolio during the internship semester. Upon completion of this program and any state-required Praxis Subject Assessments, a student will be eligible to apply for the baccalaureate level Professional Certificate which provides teacher certification for family and consumer sciences (6-12). Teacher Education Programs may be altered to meet changes in federal and Alabama State Department of Education regulations.

Majors in Family and Consumer Sciences Education are also gualified for positions in Cooperative Extension Service, business, foodservice supervision, and other related fields.

In addition to courses noted below, candidates for graduation must successfully complete all JSU Academic Regulations. More information about Jax MIX requirements (https://catalog.jsu.edu/undergraduate/ jax-mix-requirements/) and Alabama Transfers equivalents (https:// catalog.jsu.edu/undergraduate/alabama-transfers-equivalents/) can be found in their respective section of the catalog.

To become eligible for the Teacher Education Program and upper division education courses, please refer to the Steps to Apply (https:// www.jsu.edu/education/acpi/application/) or speak with the Office of Accreditation, Certification, and Partnership Initiatives, room 405 in Pod 4 of the CEPS Complex.
