Students should work closely with an advisor in selecting electives appropriate to their goals.

Select one of the following sequences:

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
<th>Title</th>
</tr>
</thead>
<tbody>
<tr>
<td>GY 250</td>
<td>4</td>
<td>Physical Geography I: Atmospheric Patterns and Processes</td>
</tr>
<tr>
<td>&amp; GY 251</td>
<td></td>
<td>and Physical Geography II: Landscape Patterns and Processes</td>
</tr>
<tr>
<td>&amp; GY 252</td>
<td></td>
<td>and Physical Geography Lab I</td>
</tr>
<tr>
<td>&amp; GY 253</td>
<td></td>
<td>and Physical Geography Lab II</td>
</tr>
</tbody>
</table>

| GL 241 | 3       | Physical Geology                                                    |
| & GL 242|         | and Historical Geology                                             |
| & GL 243|         | and Physical Geology Lab                                           |
| & GL 244|         | and Historical Geology Lab                                         |

| GY 307 | 3       | Geographic Information Systems                                      |

The course GY 208, Map Reading, and GY 220, Human Geography are designed specifically for the Geography major and are not available to students in other majors.

In addition to courses noted below, candidates for graduation must successfully complete all JSU Academic Regulations. More information about general education requirements can be found in the Summary of Degrees/Requirements (catalog.jsu.edu/undergraduate/summary-degrees-requirements/) section of the catalog.
