

DEPARTMENT OF AVIATION

Interim Department Head: Dr. Maureen Newton

366 Merrill Hall

The Bachelor of Science in Aviation is designed to prepare students for leadership and operational roles in one of the world's most dynamic and fast-paced industries. Grounded in a strong foundation of aviation science, safety, and industry best practices, the program offers three concentrations to suit students' career goals: **Aviation Management**, **Commercial Aviation**, and **Public Safety Aviation**.

- Aviation - Aviation Management (Bachelor of Science) (<https://catalog.jsu.edu/undergraduate/social-behavioral-sciences/aviation/aviation-management/>)
- Aviation - Commercial Aviation (Bachelor of Science) (<https://catalog.jsu.edu/undergraduate/social-behavioral-sciences/aviation/aviation-commercial-aviation/>)
- Aviation - Public Safety Aviation (Bachelor of Science) (<https://catalog.jsu.edu/undergraduate/social-behavioral-sciences/aviation/aviation-public-safety-aviation/>)
