

STUDENT SUCCESS CENTER

Vice Provost for Student Success: Dr. Timothy B. King

Department Head: Ms. Courtney Peppers

Houston Cole Library Basement

The Student Success Center offers an array of courses aimed at providing students with opportunities for learning, engagement, and leadership. Student Success Courses assist students with developing academic, reasoning, and analytical competencies while providing insights for better study habits, techniques, and skills. General elective credit is awarded for successful completion of courses. Additionally, the Student Success Center offers elective courses aimed at providing students with engagement, leadership, and career development opportunities.
