

COLLEGE OF SCIENCE AND MATHEMATICS

Dean: Dr. Tim H. Lindblom

246 Martin Hall

Committed to Discovery. The College of Science and Mathematics at JSU offers a distinctive environment for investigation, learning, and discovery. In the classroom, laboratory, and field, our staff and faculty cultivate an atmosphere of inquiry. Alongside our students, we grapple with the big questions about our universe from a scientific perspective. With programs of study in three academic departments, we prepare undergraduate and graduate students to join the grand enterprise of discovery we call Science.
